## **BROAD-BASED BLACK ECONOMIC EMPOWERMENT (BBBEE)**

### **KIBWE KIDS**

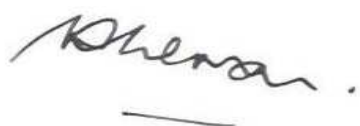

054-465-NPO

Our investigation indicates that 75% of the value of the benefits of the Kibwe Kids programs accrues to natural persons who are Black People.

In terms of clause 3.2 of Code 700 of the Codes of Good Practice, all contributions made by entities to Kibwe Kids may be included as Socio-Economic Development contributions by such entities.

This assessment was compiled and validated in terms of the Codes of Good Practice of the Broad-based Black Economic Empowerment Act, published on 9 February 2007. The assessment is valid for a period of twelve months from date thereof.

Vision xQ Consulting cc (which operates under the governing conditions and ethics of the *Institute for Independent Business*) is not an accredited verification agency. Vision xQ will, however, be able to provide and independently endorse the assessment for Kibwe Kids as factual at any time.
