

TERMS & CONDITIONS

About Us

Our core programme includes rescuing orphans and vulnerable children, affected by the AIDS pandemic, from hospitals and community agents who scout for and register orphans through home visits, schools and churches.

We have adopted a holistic approach in raising these children, always ensuring that their environment is safe, filled with love and is as homely as possible. We then raise them in suitably equipped homes that are well integrated into their communities.

Our initial focus is on the 0 - 24months old age group while subsequent phases will address the expansion of facilities to accommodate older children.

The management of our homes and children include medical and nursing care, highest quality hygiene practices, dietary consultation, development and stimulation of all children, documentation and record keeping – admission documents, daily reports on the overall health of each child, medical documents and reports on any emergencies or crises that occur.

Our in-house social workers ensure that our homes comply with all the statutory processes required by law.
